Excerpt: . . . 11 ply chain and our recent accomplishments with regard to recovery planning. Recovery of the marine transportation system and resumption of commerce following a major incident, natural or manmade, that significantly impacts the MTS is an important component in sup-orting overall resiliency of the Nations supply chain. The Coast Guard has a broad, multifaceted jurisdictional author-ity and responsibility to ensure the safety and security of the Na-tions marine transportation system. As such, the Coast Guard is uniquely positioned to lead marine transportation system recovery efforts and, to date, has made significant progress toward improv-ing the Nations preparedness posture in support of Department of Homeland Security strategic goals. The resumption of commerce requires the Coast Guard to coordi-nate with multiple Federal and State agencies to mitigate the im-pacts to the United States economy resulting from a significant ma-rine transportation system disruption. Likewise, the private sector plays a critical role in marine transportation system...
