THE MAN WITH ONE SUIT (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Living in a small Eastern European town during the communist years can be a curse, preceded by a blessing. For D., his teenage ignorance shields him from the adults misery, while his enhanced empathy pushes him to fall hopelessly in love for the first time. After the collapse of the Iron Curtain, D. tries to escape his perceived future fate, so he leaves all his dreams behind and immigrates to the American continent, in search of a better life. However, D. soon discovers that he is not prepared to live in a world so different from everything he knows, doing something he does not like only to survive in a place he does not understand. He becomes estranged, tries to build a family with an immigrant just like himself and live a normal life. His partner, a strong and independent woman, has already embraced the new culture and is eager to thrive in it. In time, D. realizes his true scope in life and that the only way to accomplish it is to break away from a system that can only provide generalized solutions for amorphous masses. Breaking away completely, however, is almost impossible and often leads to perdition. This is the story of a loner, a misfit in the eyes of many, running across the globe in search of the elusive happiness he has been carrying inside all the time. It is a story about innocence in a cold and fast moving world, about irrational and immoral choices in an unpredictable life, about how love in any form can ultimately set us free.
