Brand New Book ***** Print on Demand *****.When I woke up from surgery, I found my Mom and Dad hovering over my bed. The Adams and Rev. Parker were there, too. All of them had tears in their eyes. They had also looked relieved. Had something happened during surgery? Before I could ask aloud the question that I was asking myself, my parents were gently hugging and kissing me. Tearfully, they had also told me that my heart had stopped for two minutes during surgery. With that said, it had been decided in the end that the doctors would keep me in the hospital two weeks longer than expected. For the next two years, I endured countless chemo and radiation, as well as surgeries. During this time, I also attended homeschool. Even though I wished I could join my friends in regular school, I enjoyed being home-schooled. At the time it was the best option for me. After two of chemo treatments, radiation, and surgeries, it was finally time for me to be on remission. It was also time for me to rejoin my friends in regular school. This truly made me excited more than anything. Two years later, I am still on remission and going strong. I am even continuing to thrive at my high school. Besides being the new captain of my dance team, I am also one of the most popular girls in my grade. I am also an honor student. Most importantly, however, my faith is unbreakable and strong. That in itself, is a true blessing to me.
