Reviews

The most effective publication i at any time read. We have study and i am sure that i will likely to read yet again once again in the foreseeable future. You will not truly feel monotony at anytime of your time (that's what catalogs are for about in the event you request me).
(Mr. Rafael Hoeger)

BHARAT KA PRADYOGIK AUR AADYA ITIHAAS

D.K. Printworld (P) Ltd., New Delhi, India, 2008. Softcover. Book Condition: New. First Edition. Fresh excavations, new dating techniques and ever-growing conceptual frameworks since 1950 have greatly reshaped our perspective on Prehistory and Protohistory of the Indian subcontinent. This monograph, which is primarily aimed to serve as a starter for the undergraduate and postgraduate students, presents, in a concise but comprehensive manner, a syncretic view of the latest information on various aspects such as tools and technologies, settlement and subsistence patterns, ecological background and distributional configuration in respect of the Stone Age and the Chalcolithic Cultures outside the Harappan Zone. The Megalithic Cultures of peninsular India and the Deccan too find a place in the book. A glossary of the terms used frequently in archaeology as well as maps, line-drawings and explanatory notes on individual sites add further value to the text. Printed Pages: 220. Size: 15 x 22 Cm.
