This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Imagine you have been pronounced ALLERGY-FREE by your medical team after 35 years of living with a deadly peanut allergy, a condition called anaphylaxis Against all odds Michelle Flanagan was. And this book is not just about anaphylaxis, it is so much more than that. Anyone consciously walking their own healing path will gain insights and a roadmap. Doctors, therapists and teachers will also gain a better understanding from reading this book as it takes you on a triumphant journey from ill health to wellness, from despair to freedom, from turmoil within to peace without. It is an inspirational story for all who face what seem like insurmountable obstacles. This is a remarkable and must read memoir. **READER FEEDBACK** I did an allergy test last week. . . My peanut and coconut allergies used to be very high, now they are both at 0.36, only .01 away from being considered non-allergic. Its amazing! You have literally changed my life and the message, Everything has a cure and anything is possible, is a motto Ive always lived by and truly realize after reading your book is really true. Lauren J. USA A captivating healing journey from within to without life threatening illness. . . some masterpiece of work. Mikey Graham, Boyzone (singer) Ireland Michelles journey is inspirational on many different levels, not just for people struggling with allergies. June Saunders, Editor USA When I first started reading Reaction 20 Minutes to Live I thought that it was going to be a long drawn out saga. However as I got into it I had to keep reading. Overall---brilliant! I have also applied some of your information as I had gone so far with my allergies and...
