Createspace, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.ATTP 3-39.10 is written for Army military police personnel conducting LO operations while assigned to military police brigades, battalions, companies, detachments, U.S. Army Criminal Investigations Command (USACIDC) elements, military police platoons organic to brigade combat teams (BCTs), and provost marshal (PM) staffs. It applies to military police commanders, staff, functional cells, and multifunctional commanders and staff elements at all echelons tasked with planning and directing policing and LE operations. This manual is organized into seven chapters with eight appendixes to provide additional details on selected operational topics. The first two chapters describe LO aspects of the OE and the planning and integration of LO operations in support of full spectrum operations. The remaining chapters discuss LE operations, police engagement, and host nation (HN) police training and support. A brief description of each chapter and appendix is provided below: Chapter 1 describes the OE, with particular focus on the nature and scope of modern conflict and the relevance of LO operations within the OE. It provides key definitions and the doctrinal framework for LO operations that provide understanding and focus for policing and LE activities. Chapter 2 provides considerations for planning and conducting LO operations. The chapter includes a discussion of the policing principles, the various policing models and strategies, and the relationship between LE and due process. Chapter 3 discusses the mission command of LO operations. It focuses on police station operations and the relevance of the police station to the command and control of police assets and the management of police information and specific LE activities and requirements. Chapter 4 describes LE patrol operations, including discussions of patrol methods and strategies, interviews and LE interrogations as they...
