The first story in Annie Reed's popular zombie series and the title story in this collection, Patient Z centers on a homeless woman who raids the wrong recycle bin late one night, unleashing a future she never imagined. The petty thief of Ella and Mo runs into a whole different kind of child survivor when he robs the wrong house in Las Vegas. And appearing in this collection for the first time is Annie's brand new story Zombie Parade, a harrowing tale about survival in a New York City overrun by the undead.
