## How India Became Territorial: Foreign Policy, Diaspora, Geopolitics (Hardback)

---

By Itty Abraham

Stanford University Press, United States, 2014. Hardback. Book Condition: New. New.. 231 x 157 mm. Language: English . Brand New Book. Why do countries go to war over disputed lands? Why do they fight even when the territories in question are economically and strategically worthless? Drawing on critical approaches to international relations, political geography, international law, and social history, and based on a close examination of the Indian experience during the 20th century, Itty Abraham addresses these important questions and offers a new conceptualization of foreign policy as a state territorializing practice. Identifying the contested process of decolonization as the root of contemporary Asian inter-state territorial conflicts, he explores the political implications of establishing a fixed territorial homeland as a necessary starting point for both international recognition and national identity—concluding that disputed lands are important because of their intimate identification with the legitimacy of the postcolonial nation-state, rather than because of their potential for economic gains or their place in historic grievances. By treating Indian diaspora policy and geopolitical practice as exemplars of foreign policy behavior, Abraham demonstrates how their intersection offers an entirely new way of understanding India's vexed relations with Pakistan and China. This approach offers a new...
