Reviews

Absolutely essential go through publication. This can be for all who statte there was not a worthy of looking at. Its been printed in an remarkably basic way and it is just right after i finished reading this book through which in fact altered me, modify the way i think.
(Dr. Haskell Osinski)

SHAKESPEARE'S FIGHT WITH THE PIRATES AND THE PROBLEMS OF THE TRANSMISSION OF HIS TEXT

[DOWNLOAD](#)

Cambridge Library Collection. Paperback. Book Condition: new. BRAND NEW, Shakespeare's Fight with the Pirates and the Problems of the Transmission of His Text, Alfred William Pollard, Originally delivered in November 1915 as a series of lectures at the University of Cambridge, this close textual analysis of Shakespeare overturned the conventional methods of Shakespearean bibliography. In this careful study, Pollard, a bibliographer and literary scholar, called into question the long-held assumption that the early Quartos were of little bibliographical value because of the errors, mis-spellings and mis-lineations. By emphasizing the efforts made to impede printing piracy in early modern England, Pollard argued that the Quartos are much closer to Shakespeare's manuscripts than previous scholarship had allowed. Pollard, along with J. Dover Wilson, W. W. Greg and R. B. McKerrow, was instrumental in establishing the theoretical framework of New Bibliography, and on its publication the book was greeted with what is described in the introduction as 'friendly controversy'. First published in 1915, the book was revised for republication in 1920. This reissue is of the 1967 reprint.
