RE-IMAGINING AFRICAN CHRISTOLOGIES (HARDBACK)

Pickwick Publications, United States, 2010. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Description: Who do you say that I am (Mark 8:29) is the question of Christology. By asking this question, Jesus invites his followers to interpret him from within their own contexts-history, experience, and social location. Therefore, all responses to Jesus's invitation are contextual. But for too long, many theologians particularly in the West have continued to see Christology as a universal endeavor that is devoid of any contextual influences. This understanding of Christology undermines Jesus's expectations from us to imagine and appropriate him from within our own contexts. In *Re-imagining African Christologies*, Victor I. Ezigbo presents a constructive exposition of the unique ways that many African theologians and lay Christians from various church denominations have interpreted and appropriated Jesus Christ in their own contexts. He also articulates the constructive contributions that these African Christologies can make to the development of Christological discourse in non-African Christian communities. Endorsements: Throughout the history of Christian thought, believers have struggled to understand the figure of Jesus Christ in the context of countless different cultures, and today, Africa is the scene of some of the most challenging and imaginative reconstructions. In his erudite and wide-ranging book, Victor Ezigbo offers a sound guide to these daring new Christological ventures. --Philip Jenkins author of *The Next Christendom: The Coming of Global Christianity* A thoroughly researched book on African Christology. One of the neglected questions in African Christianity is how to present Christ in ways that answer questions Africans are asking. Victor Ezigbo tackles this topic brilliantly. --Allan Anderson author of *Spreading Fires: The Missionary Nature of Early Pentecostalism* What would freedom in Christ look like for Africans when it reflects care to...
