Amberley Publishing. Paperback. Book Condition: new. BRAND NEW, Harrogate Through Time, Paul Chrystal, Simon Crossley, Harrogate Through Time is a wonderful collection of old and new photographs of Harrogate. The older images are printed alongside a contemporary full colour photograph, which illustrates the same scene. The contrasting illustrations show how the area has changed and developed during the last 100 years. The photographs illustrate shops, schools, garages, churches, houses and street scenes, each photograph is captioned and the book has an introduction which gives a brief overview of the history of the area. As you browse through the photographs, you will notice the increase in the number of vehicles on the roads and the number of residents, how shops and other businesses have evolved and the changes and developments in modes of transportation and the architecture of the area.
