Reviews

Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Not illustrated. 1889 Excerpt: .was so much interested in the success of the institution that he erected a one-story frame building, fourteen feet by twenty, a short distance south of the main building, and gave the School the free use of it. They had a plank walk to connect them, and this building was used in the fall of 1865 and all of 1866 for all recitation outside of the assembly room, except an occasional recitation by that first graduating class which was sometimes crowded into one of the cloak rooms at the east end of the large building. 186T. On the day after the Governor signed the bill appropriating money for the erection of a normal-school building, the directors assembled at Topeka, and proceeded to discuss plans for the structure. What was called Lescher s plan was adopted, and Principal Kellogg was sent to Lawrence to secure the full specifications. The superintendent of the work was E. Borton, and the contractor, John Hammond. The building was well under way by mid-summer, and by September the first story was completed and the city had made plans to extend the walk on the east side of Commercial street to Twelfth avenue. This building was occupied by the School in January, 1867, seats and furniture having been brought from the building which the School had formerly used. In June, the Normal obtained furniture of its own for this house, and returned what it had borrowed from the city. This building, says the...
