Despite the fact that she is unfortunately American, she's received a staggering number of offers. And turned down every one. St. John Evernight does not want to admit the relief he feels every time he hears that she has rejected one of her suitors. Which is unfair of him. Layla deserves to be happy. So St. John resolves to keep his distance, until he is recruited by the Society for the Suppression of Supernaturals to guard Layla. For she is in grave danger, and he is about to learn the full extent of his powers. Callihan has a great talent for sexual tension and jaw-dropping plots - Diana Gabaldon A sizzling paranormal with dark history and explosive magic!
