America Star Books. Paperback. Book Condition: New. Paperback. 174 pages. Dimensions: 9.0in. x 5.8in. x 0.5in. She Died Scared is my story as a mother searching for the truth and justice for my daughters death. Friends and family know me as a loving and protective mother of my two children, but neither quality stopped the authorities from taking my son away from me. My daughter, Brittney, was going through a phase of rebellious adolescence, but I knew how strong Brittney was. Not realizing her troubled years would lead to wrong choices in life that eventually caused her death. Brittney had a relationship with the wrong man, and that started the nightmare that haunted her to death. Armondo was abusive, and would do anything to control everyone around him. Even incarcerated, Armondo had hands that would do exactly what he wanted to do. A true story of the quadruple murder in Milwaukee. Despite the fabricated stories that surfaced to cover up the real story, I believe in one definite reality-Brittney was a victim of violent men who deem themselves capable of controlling the lives of weak females who get caught in their trap. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
