In particular, his recommendations and suggestions have been invaluable for my entire project. My deep appreciation goes to Dr. John Beaumont Kerridge for his wisdom, patience and selfless concern for his students. I also thank my family, who have supported me and stood by me. The entire project would not have been possible to complete without the help of a number of my friends and relatives. I am very thankful the Managing Director of Dynamic Sweater Industries Ltd, Mohammad Hossain Khan for his help and getting data for my research project. Special thanks given to my friend Jahed who provided me to get a lots information about the project. I would also like to thank my younger brother Jafor hossain to send me a good number of books and journals from Bangladesh that helped me a lot.
