Createspace, United States, 2014. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.It isn't hard to see that the economies in almost every country are in bad shape. There are constantly reports of this big bank falling or that big business going bankrupt. In fact, in the United States, entire cities are either in bankruptcy or on the verge. What happens when a city goes bankrupt? Millions of dollars that are owed to various creditors would never be paid back. Those creditors would take a major hit and could be forced to go under as well. The chain reaction would be devastating and could ultimately result in the complete devastation of paper currency. Are you prepared to live in a world where paper money holds no value? You wouldn't have a job and if you did, you would be paid with credits or with gold or silver pieces. It is unfathomable to think of a world where we can't run to the store and use our debit cards to buy groceries or pay cash for medical services. If and when paper money becomes worthless, citizens all around the world are going to have to adopt a new way of living. In order to survive, people are going to have to rely on themselves. There will be no government bailouts. There will be no government aid. You will have to learn how to hunt, grow a garden and raise livestock in order to feed your family. You can help offset the upheaval by stocking up on some things today that will make that bleak tomorrow look a little better. This book will explain what you need to start buying today as well as teach you the...
