Filesize: 5.65 MB

Reviews

*A must buy book if you need to adding benefit. It really is writter in easy terms instead of difficult to understand. I found out this ebook from my dad and i advised this publication to find out.
(Prof. Elton Gibson I)*

MEET MARY

Sophia Institute Press. Paperback. Book Condition: New. Paperback. 144 pages. Dimensions: 8.3in. x 5.4in. x 0.3in. She's the simple peasant girl they call the Queen of Heaven. She's the Lord's humble servant, yet an icon of womanly strength. She's ever virgin and the mother of all. Sinners fly to her, but an angel bowed! She's Mary, the mother of Jesus: the most recognized woman in history. And the most misunderstood! Many Protestants grudgingly acknowledge that someone had to bear the Savior, but they otherwise regard Mary as an ordinary, sinful woman. Even if you're a Catholic who grew up with a statue of Mary next to your bed, you probably don't understand her as well as you think or should. -Do you know the Church's four essential Marian doctrines -Do you know how these doctrines are rooted in Scripture and Sacred Tradition -Can you explain to others the difference between the Immaculate Conception and the Virgin Birth -Can you share the messages and secrets of Mary's most famous apparitions Meet Mary: Getting to Know the Mother of God is a slim volume written by renowned Marian expert Mark Miravalle, and it will help you answer these questions and more! After reading these pages, you'll know the faithful truth about this woman of contradictions: everything the Bible says about her, what the early Christians believed, and each of the key teachings the Church has proclaimed about her for 2,000 years! Even more important for Mary herself desires to be known intimately, not academically you'll learn how to enter into a personal relationship with her. You'll come to regard her not as a distant and unapproachable figure in the heavens, but as a real friend and mother. Most of all, you'll become a better disciple of Jesus. For the Son commands us...
