FUEL (HARDBACK)

MIT Press Ltd, United States, 2008. Hardback. Book Condition: New. 162 x 122 mm. Language: English . Brand New Book. How will the world work in the pos-toil, post-coal future? Our transition could take the form of disastrous collapses in economic, political, and economic systems--or of a radical reinvention of energy. We could relapse into a new Dark Ages, or we could shift to a new economic model and international order that s not based on (the appropriately named) fossil...
