CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 128 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. **WARNING: This Book May Contain Logic!** A Simple, Realistic Guide on Understanding Life and the Hand that we were dealt, and Explaining How Easily we can Manipulate and Influence Reality and the World Around Us to Create the Lives We Want. What has shaped our current worldviews, and what is the glue that holds our societies together in this modern day Is it our consciousness that gives rise to the reality we perceive around us What does Quantum Science prove Is it true that anything that we do not observe directly exists only as potential or a haze of probability, and that only when we choose what it will be do our consciousness create the physical manifestation How does life, consciousness, reality, destiny, and reincarnation really work and what does it mean for me Do I have a say in my future or do I have to accept the hand Life has dealt me It shows us how we can manipulate and create our realities and futures through our thoughts, emotions, beliefs, and intentions in a self-responsible, accountable manner which considers the scientific fact that we are all connected and part of the whole. We are so much more than the bodies we were born into, and we have the potential to turn our lives into an amazing journey once we realise that the only limitations are the ones we place for ourselves. Through knowledge, and a realisation of our own power and ability to make changes within ourselves, our immediate surroundings and our communities at large, we can create better lives for ourselves and our children. Knowledge is power. The simple, easy to understand concepts and ideas...
