Kagero Oficyna Wydawnicza. Paperback. Book Condition: new. BRAND NEW, AN-26, Krzysztof Barcz, Dariusz Warszawski, Krzysztof Barcz, Dariusz Warszawski, Adam Golabek, With a free catalogue and packed with color photosThe Antonov An-26 is a twin-engined light turboprop military transport aircraft, designed and produced in the USSR from 12 March 1968. After successful operations of the An-24T tactical transport in austere locations, interest in a version with a retractable cargo ramp increased. Initial studies for the retractable ramp were carried out as part of the projected An-40 medium transport. When given the go-ahead for the An-26 in March 1968 the Antonov OKB adapted the ramp design of the An-40 to the An-24 fuselage, and thus was born the An-26. Using the majority of the An-24 airframe, with its high-set cantilevered wings, twin turboprops and stalky main undercarriage, the An-26 included military equipment, such as tip-up paratroop canvas seats, overhead traveling hoist, bulged observation windows and parachute static line attachment cables. About the SeriesThis is a classic series of highly illustrated books on the best machines of war, with several hundred photographs of each aircraft or vehicle. With close-up views of the key features of each machine, including its variations, markings and modifications, customizing and creating a model has never been easier. Includes extra features such as decals and masking foil.
