Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Imagine what an epic impact this would have if mankind discovered not only that we re not alone, but also that aliens are actually humans living in the distant reaches of the universe, who seeded Earth to ensure survival of the species outside of more dangerous areas. In the probability of quantum mechanics, this is one possible outcome. Creative, alternative, and esoteric philosophical concepts of existence. How did the universe really begin? Can we fluidly access our subconscious and communicate with each other? Did the Egyptians build pyramids differently than previously conceived? These questions, along with many more, are addressed in Mysteries of the Universe; J.C. Vintner s second volume of the Ancient Earth Mysteries series. Volume II: Philosophy covers selected topics examining ancient cultures and their philosophical influence on the world while touching upon mankind s position in the universe. Explore new avenues of thinking through the mind s eye, and find out how we can change our future for the better. Mysteries of the Universe provides food for new thought as compelling inspiration...
