Want the love you've been missing? Soul to Soul delivers insights designed to keep you on the high road to greater love, forgiveness and lasting relationships. Like the book says, Imagine loving without condition. Sing the notes of this sacred hymn. Heal your heart and remember. Do let this in. Fawn Moran has managed to distill so much wisdom into phrases that open doors that we thought were closed. Reading her words, or better still, reading them out loud, brings a resonance in the heart that remains. The distillation has clearly come from many hours of plumbing her own depths. This is not a collection of ideas-it's a collection of Truth revealed. Try it. You might end up becoming what you were seeking. Mary-Margaret Moore, Spiritual teacher, workshop leader, counselor and author of the Bartholomew books.
