ASSESSING INEQUALITY

SAGE Publications Inc. Paperback. Book Condition: new. BRAND NEW, Assessing Inequality, Lingxin Hao, Daniel Q. Naiman, This text reviews a set of widely used summary inequality measures, and the lesser known relative distribution method. It provides the basic rationale behind each and discusses their interconnections. It also introduces model-based decomposition of inequality over time using quantile regression. This approach enables researchers to estimate two different contributions to changes in inequality between two time points. Key features include: clear statistical explanations...
